Sealdah

Kolkata

Respected Sir,

Greetings from Zee 24 Ghanta!

We are proud to announce the 4th year of Education Excellence initiative that was started by Zee 24 Ghanta. Like last year, Zee 24 Ghanta will endeavor to bring few educational institutions to the forefront who are establishing high standards in quality of education that is being provided to the students of today.

It gives us immense pleasure to confer this year's Education Excellence to your College.

Due to the pandemic rules, this year, we are not able to do it on ground but we will be giving the awards on television. We will be honored if you accept this humble award from our side. We would send you the trophy and certificate and our correspondent will visit you for your one on one interview. The Education Minister of West Bengal Sri Partha Chattopadhyay has given his consent to be a part of our show. The program will begin 7am onwards on 22 August 2020, Saturday.

Looking forward to your positive response.

Thanks & Regards,

Anirban Choudhury
